“ *When a mother dies, what can you say???? Except to acknowledge your steadfast friendship Kim and the memory for me that comes up first: when I was out of work for several weeks, and you prayed for me as I sat in my car, outside the physical therapy department! Even though we don't work together anymore, when we were at JRB on the same shift, I so much enjoyed being with you and hearing about your son and your daughter. My own family lost our mom 3 years ago....so in my heart of hearts, I know the loss that you feel today. Know that your friends are still out here, and are with you always in thought and prayer!*

“ After the tears have dried and the goodbyes have been said, all we have is happy memories that we’ve shared with our loved ones. Ann’s spirit will forever be remembered in our hearts and soul. In memory of my brother, Officer Vito N. Zaccaro, and to his fellow officers at the Cook County Sheriff Dept., who have showed us the unbreakable bond between officers, we join our friends with thoughts, along with comfort and prayers. The heavens have received a beautiful new star whose light will shine through this dark period now, and forever.

“ *Our Dear Mom, a angel sent from heaven, specifically created by God to hold the title of Mom for Kimberly and Mariann. It was a title that she wore well and proudly. Shirley's Girls a title we wore proudly and will forever be proud to wear.*
