“ *Hi Ms.Bette, It's me Monica..Your neighbor and friend in Richton Park. never thought I would find you here..I was trying to call you because you been heavily on my mind and heart these last couple of months and normally we would have reached out to eachother by now..I knew someone was wrong when both your cell and home phone was going straight to voicemail.Normally, we wouldn't go no more than 2 to 3 weeks without hearing from one another and planning our next lunch/dinner date from you can eat shrimp at Red Lobster to where ever the wind blew us.LOL I was trying to get ahold of you to let you know I had some more hairstyl who made housecalls and thought you would be pleased.I left my number in Big Letters on your table so anyone could contact me if you wasn't going to be available but No Contact..Ms.Bette, I reached out to St.Sabina and spoke with your Priest to only inform me that you had transitioned to be with The LORD and was at Peace.You didn't give me number.LOL.I'm Sorry I wasn't there we have so many memories we shared..Ms.Bette,I miss you and your laugh alot and I Love you. You were an amazing, strong, courageous, smart, remarkable, awesome, incredible, intelligent and so much more of an individual who I am Proud to call My Friend.Let Legacy live on through your Wonderful Poems and Books you wrote..Love,Blessings and my Prayers and Condolensces goes out to Family.Until We Meet again Ms.Bette.....#INHEAVENBEBLESSED#*
