“ *How ironic it is that Uncle Bobby's homegoing would be on Derby Day. I first met him on Derby Day and he immediately welcomed me as a family member. This time last year he and I were trying to reach Clarence (Skip) so he could get in touch with Steve to place his bet. Uncle Bobby loved the Derby and of course...his horse won! My condolences to his loved ones and I pray that we will all be comforted by the warm memories he left us all*

“ I am sorry for the passing of my uncle bobby but I am so very thankful for having known him. We talked. We laughed. Many times I would hop in my car after work and drive up there. Maybe I would announce it beforehand but just as likely I'd just show up. Either way I was welcomed with unqualified love and kindness... and a trip to Dock's for fish! Many of those mornings we'd sit on the porch and drink a cup or two of coffee and just talk. He'd impart insight to me and also respected me enough to hear my thoughts too. That meant so much to me as a young man. Unk loved his family and welcomed all into his circle. That, to me, is a fine example to leave behind for the rest of us. So even though my heart is heavy I say Thank You for everything and be blessed until we meet again

“ *Clifford Knights affectionately known as Pa Pa to me, was a great man. He opened up his heart and took me in as another grandchild when I was 16 years old. Five years later Cj came into the picture and he took over him, the two have been inseparable every since. I thank God for placing him in my life and he will be sorely missed. R.I.H. Pa Pa*❤️
