“ Cynthia was the most sweetest and kindest person ever. She would do anything for you and she loved kids. Cynthia was the best babysitter I ever had and she treated my baby Nik as if she was her own child. Cynthia will be missed dearly! Rest in heaven Cynthia 🥹

“ Moma Cynthia was a truly kind-hearted woman who never needed much to be happy. She was grateful for everything, big or small, and she carried that gratitude in the way she lived and loved. Above all else, her family was her greatest treasure. She would protect them with her life, without hesitation.

She showed love so effortlessly and so genuinely, especially to her grandchildren. She was an incredible Nani, and they adored her deeply, especially Levi, who loved his Nani so much. Her warmth, strength, and unwavering love will forever live on through her family and in the hearts of everyone who was blessed to know her. ☐
