“*DARLENE DREW, we worked hard, played hard and prayed even harder☐ It took us miles away from home to figure out that we actually lived within 1/4 of a mile from each other. You were my manager and in turn, I was yours. We know things about each other that no one else will never know. We shared time, places and spaces. I always told you that you have a seat in heaven and I was still trying to earn mine. You were my ‘ride’ even though I was doing the driving since you would only drive the speed limit and make me carsick. We been through the deserts, the mountains, the beaches, the oceans, the ‘hoods’ the burbs, churches, casinos, vacations and staycations with each other. I have always been your protector and dared anyone to mistreat or disrespect you - family, coworkers, administrators, haters, etc., it didn’t matter to me! I thought you would always be around, even in the end when no one would keep me informed as to where you were and how you were doing. But guess what? I never stopped thinking about you, asking about you or praying HARDER for you than ever. Now that you’ve gained your wings, my heart is heavy and the tears come and go. I cannot be selfish and I’ve got to let that human body go to rest, but know that you will always be with me in my heart ❤️ and the memories that we made can never be erased.*

*OKAY (she would always respond this way)*

*Goodnight, Girlfriend 😭*
