ME

*Thanku for being a wonderful friend. I will truly remember those Monday night. Chinese buffet trips with our group I truly will never forget the day. I was talking with jae in the ubc kitchen we were making plans for that night. I never had meet you until that night we all went bowling something that night told me i needed to get a picture will our group and so we did i forever have the memory of that great night.He was truly the greatest bowling partner I ever had even though we never stood a chance against the other team he truly was a man of his word. When he said he doesnt give up that easy he truly didnt. We lost that night but in return i gained a truly remarkable friend that I will forever cherish the memories I have of him. He truly was a mentor to everyone. The ubc group will forever miss you but we know this isnt goodbye. We will see our dear friend again.*

“ *Desmond was always such a kind friend to me. He was always smiling and always encouraging! I will always remember the good car rides with the group and all the Dunkin Donuts runs. I always look back on those college times with beautiful memories of his laugh, his smile, and all his teasing ;) RIP Uncle Dez 🙏*
