“ I worked with Diane for the better part of a decade. You work with someone that long and you're considered to be more like family than coworkers and that's what it was with her. We shared many stories and laughs during that time and it will always be cherished. Although she was older than me I was always "Mr Hill". Very rare was I "Howard". I will miss her kindness, stories, jokes and most of all her infectious laugh. She'd laugh and you automatically start laughing too. Thank you for being kind to my family and watching my dog Max when we were on vacation. Keisha and Micah and family be strong and God will see you through. She is in a place we wish to reach one day. God bless.
