“ *To Debra*

My sincerest condolences to you and your family. I share your pain and sorrow, just having went through this same trying time in April. You were there for me as I am here for you. If there is anything I can do, please let me know. I do know that God is with you and your family. I did not know Ms. Emma personally, but I knew her through the stories you shared with me. I am sending prayers your way, my sister. May God be with you.

Emma Blade was a very special lady and friend. We feel blessed to have known her for many years. We will remember Emma for her wonderful stories, her solid advice, and her warm heart. She would have a special twinkle in her eyes as she talked about her husband Henry and her four children. I had encouraged her to write a book recalling all of her wonderful wisdom, but now know that this will live on through family, friends, and wonderful memories.

Our thoughts are with you all during this difficult time. Emma would want you all to kick up your heels and put on a smile and remember her love of life! All our love John, Barb and Kathryn Lee

“ My auntie was a wonderful and loving person. She made me feel special everytime I talked to her or was around her. I tried my best to call her on a regular basis because of that very reason. Autie you will be greatly missed by me and our entire family. Debra, Lydell, Keith and Rodney please know that my prayers and thoughts are with you. You can count on me to be there if you need me for any reason. Rest in peace, rise in glory Aunt Emma.
