“ *Bessie Burns(Toosweet)*

*My classmate, friend, one who I consider my sister, I will truly miss you. When we last spoke by phone last month, I never could have imagined it would be my last time talking to you. We grew up together as children and never lost touch. I will miss talking to you on the phone reminiscing about the good old days. My is truly broken! I love you and will miss you! Rest In Peace Emma Jean!💔*
