“ My dad what can I say was the BEST HE KNEW.. I miss him so much words cannot explain.. I'm feeling empty confused and numb all at the same time.. My dad was a man who loved God deeply. He was a signifier to the fullest and can come up with words that would make you look at him like he was crazy.. He was lived by many.. Daddy I miss you so much home just isn't the same without.. However you are free of all of your struggles now so rest on and be happy like you always wanted to be. I love you and miss you from the bottom of my soul.. Love your daughter Akesha
