“ I am extremely heartbroken at this moment. You were definitely the life of the party. I remember some years back. I ran into you at the Walgreens on 63rd when you used to work there. We cracked some jokes. Also gave me some encouraging words at my time of distress. I appreciate you and Ms. Linda for showing me what a true union in love looks like in this world. Although I wasn't around a lot. I knew after seeing you guys together. You loved her dearly. I pray one day. I'll be able to find and build something as beautiful as you guys did. Staying together till the end of the road. All around wonderful person. I thank God for allowing me to even have met you through your angel Ms. Linda. Taken too soon. Sending love and prayers to the family. I love you Ms. Linda. Always praying for you. Rest in paradise Mr. Greg. -from kyra

“ Rest in peace uncle Greg. When God calls someone we care about leaves us sometimes not knowing what to say or even how to feel. But it's God's will and it's a reminder to all of us that life is more precious than we know so hold each other close reach out just to say hello cause when someone's gone you don't get a do over or maybe tomorrow . Sending my condolences.
