“ I love you Big Sis and I will miss you terribly. I will miss our short conversations that turned into 3 hours calls. I will miss your creative spirit and our lunches. I will miss how you stood up for me and your honesty. Simply put I will miss you. I know I will see you again and how we will rejoice.

Auntie Gwen, my life was made so much sweeter by having you in it. Even though we had many miles of distance between us, the warmth of your love was felt through our amusing interactions on Facebook- especially when you were commenting my daredevil antics and I was attempting to get you come along. Know that I will miss those moments shared with you. I love you. P.S.-my next skydive will be for you.
