“ I think that there are few people that you meet who make an instant mark on you. Ian dabney was one of those people. He was just someone who could make you feel as though you have known him for years, although having just met him moments before. He was genuine, kind, intelligent, and humble. My heart is so heavy for his family, but I am truly great full to have been blessed with his presence. There's no doubt in my mind that Ian is now present with the lord. I am constantly praying for peace, god bless you all.

“ My condolences to the Dabney family.

Ian was an amazing friend that showed love and cared deeply for anyone that was apart of his life. The jokes and that smile will truly be missed!

To Troya, you are and will always be in my prayers! Ian are now you and baby girls guardian angel.

Love, Domonique

“ *Thank you Ian for all that you did for Lester, Zion and Travail. Three years of training these guys and they credit you for all of their growth on and off the court. You were more than a trainer, you were the big brother they needed.*

It was an honor to have you as a part of our family. It was our pleasure to be a part of the #Forthewin vision and mission. I promise they will carry on the #Forthewin era forever.

God bless you Troyah and baby girl may you be comforted in your time.

“ Ian was instantly the most kind, wonderful, funny, talented person that I wanted to adopt in my family the minute he started to train my son, Austin, for basketball. Ian had a quiet and attentive, funny, quick witted, warm style that drew everyone in like a magnet. Ian made such an impact on everyone he met - we miss Ian so much, but we will do everything we can to keep his beautiful spirit alive. We will miss you, Ian, but you are in our hearts FOREVER!
