“ My Daddy "Bootie" I will miss you. You took me in as your other daughter. When you and Mel would pick Irish up for the weekend or for the summer, you would bring me along too. I was always with you all. I traveled with the family, went to church, joined and got baptized. It's so many memories and good times we all had together. Those memories will live on forever. I remember when Dee, Nikki and myself wanted to go skating, movies or to the corner store, we would beg Daddy "bootie" to take us, because back then it was nothing out in Villa Rica. He would tell us we had to massage his back, neck and legs before he would take us. And sometimes after we did all that, he didn't even take us. Lol. I will truly miss you, Daddy "bootie"

“ Granddaddy, thank you for being another father figure in my life. I miss you so much! I wish I could hear your sweet country voice again and hear you say "I'm your #1 granddaughter". There was so much I wanted to talk to you about and share but Heaven was calling for you. Such a beautiful and sweet soul who will be missed. I will continue to hold on to the memories and hold you close to my heart. I will tell my future family what a wonderful granddad I have and the kind man he was. Although distance kept us apart you made time to pick up the phone and check on me. I appreciate your phone calls, your hugs,kisses, your sense of humor, your laugh, your smile, and your big heart. I will miss you granddaddy! I love you so much and I can't wait to see you soon.
