“ *My dear, dear brother, from another mother we have had some great times together you and Ruthie and I, and now you're together again with all the rest of the angels that have gone on before me. I found this picture of you Ruthie at our family reunion in University Park, you guys were always a part of our family gathering because you and Ruthie took me in as your little sister and took my children as your niece and nephew, boy do I miss those time you calling me, cousin Cecil, you will forever be a ache in my heart rest in peace until we see each other again on the other side. I love you Gantt (Jesse Sr) and I will always share fond memories of you. Your friend/sister/cousin Cecil, a.k.a. Cyrea. 🌹🌹🌹💜😭*
