“ *Kenneth's carport was right next to mine at the apartment complex. We said hi a couple of times but I hardly ever saw him & didn't know him. He always locked up his bike to the pole in the parking spot & I still see it in my mind when I pull in. My thoughts & prayers are with his family and friends. In God's plan there are no true endings, only everlasting beginnings. May God fill you with comfort & peace as Kenneth starts his everlasting beginning. You will see him again.*
