Auntie Shon I miss you so much! I'll miss our talks and the laughter that we shared. I will also miss your advice and and your encouraging words. I know it won't be easy but knowing you are no longer suffering and in a better place does bring me comfort. Love you your Stephe

“ You were always a bright light in a dark place for me. Always very positive with nothing but good things to say about everyone. I will always remember you asking me to fasten your shoes in the morning when you came in. It was our thing. Rest In Peace my friend, for you are no longer struggling.

“LaShon” was such a determined and loving spirit. She always found the best in a situation and with her faith pushed through every obstacle that came her way with no complaints. She was so proud of her daughter and I will miss hearing all the wonderful stories on how well she’s doing. A dedicated professional, I remember most days she was either the first to arrive or last to leave. Generous- always sharing info about resources in the community. And yess we shared a love for House music... 🎵 I will cherish those days we’d walk to Daley plaza and jam in the summertime! This is all to much but I will cherish your memory and so grateful to have met you! God Bless you and your spirit! Sending Love and hugs to the family, and Husband and beautiful daughter! May God’s Comfort & Peace surround you all now.

“LaShon and I had a special bond; when I moved back to Chicago she was my little sister. LaShon took me to my first Tattoo Party. I remember Lola with these 2 little pretty girls. I watched them grow from little girl's to young and beautiful woman. Shonnie as I fondly called her would take you to church, help you find a job, check on you, etc. I'm going to miss my friend, but I know that she's in a better place; with no more sickness or pain. To Lola, Brittany & Tracy: lean on God during this loss, he will see you through this devastating loss. To her husband thank you for making my friend so happy!! I'm still in shock and my heart hurts, knowing that I will never see my sweet angel 😊 again. However, I will cherish the memories that my friend and I had!! Rest in Paradise LaShon, I'll see you in the distant shore!

“ *To Helene and the family of LaShon: LaShon's features remind me so much of Aunt Mozell, she looks so much like her grandmother. Much love to all and our prayers are with you. Aunt Martha, Dorothy and Evelyn*

“ Shon was one of the kindest people I have ever met. She was also one of the hardest working people I have ever known. She loved her job and the families whom she served and her dedication to serve others was an inspiration to me. I admired her selflessness and constant concern for the well being of the people around her. Her spirit for life and uplifting others was the kind you don't forget. She will be very, very missed. “ The day I met this beautiful woman I knew she was special. I not only had the pleasure of working with her at the Chicago Housing Authority, but she invited me to be a sister/friend. She was accepting of this Kansas City "Newby" and treated me with kindness and respect. Although I stopped working in Chicago, we remained in touch and for that I am truly thankful and blessed.

There are many who walk this earth never to be in the presence of such an ANGEL!!!!!!!!!!!!!!!!!!!!!!

PEACE to her loving husband, family and friends.
