“ *It's still so hard for me to believe that you're gone. I remember when you always kept us laughing every time we talked, just smiling and full of joy. Watch over your siblings and mama, they're taking it the hardest. We love you and miss you* ❤️.

“ Aunt Lisa,
Even through my sadness, I understand God’s plan. I am going to miss you and the calls you would make to give me “the scoop” about mama. You would tell me how she would sneak to make salmon croquettes for my brother when he’d come home to visit. You would always say, “Gabby, your mama cooked salmons and biscuits for Bubba and I told her that I was telling. I got your back, Gabby!” LOL. You knew how much I loved my salmon and biscuits with syrup. I will also miss catching up when you and uncle Ralph would come home to visit. With no more suffering, you are able to rest peacefully. Please continue to watch over and have my back. Have all of our backs.

Love you forever and always,
Gabby
