“ Dear family,
I was saddened to hear of the untimely passing of my dear friend. She reached out to me the Friday before she passed and I'm so grateful that I had the opportunity to speak with her. I met Luce in 1993 when my family and I transferred from Washington, DC to Chicago, IL with the IBM Corporation. We became instant friends and remained close, even after she left IBM, until her passing. I have so many fond memories of Luce, but the main thing I remember is how much she loved God and her family...especially her nieces and nephews who were so precious to her. I also know that she was saved and for that I have to rejoice because I know we'll see each other again! While I will miss her physical presence, I am thankful that she is no longer suffering. I am praying for each of you that God will comfort you and give you the strength to endure during this difficult time.
Sincerely and with sympathy,
Paul D Roberts
