I've known Margaret and her late husband Henry since I was 17yrs old.
They both always had great experiences and knowledge to share.
Fun with Margaret was getting together over a meal and going to the boat😊
Rest in His Heavenly Arms Always!!!
I definitely will miss you❤️❤️❤️

“ My Great Aunt was a fun , loving spirit and she always made it a point to let me know how much she loved me .. She could make me laugh and cry all in the same conversation an by the end of the conversation I 'm laughing all over again ... I always loved her banana pudding sometimes she would go a little crazy with the sugar lol but it was still the best i had had .. I m happy that she taught me how recipes that I can pass someone through the family. I remember being a kid an anytime she would come in town to Mississippi by my grandmothers house her and uncle Mat , She would tell me come on an get in the car with your auntie so i can take you around time and show you off . And that she did ! I am extremely grateful that God blessed her in my life for 41 years and I'm going to miss her Rest in peace Dear auntie Margaret kiss my grandma Mae for me and huge big mama an big daddy for me .. I love you'll ! Until we meet again i will do my part down here you do your part & watch over the family .
