“ Aunt Mary was my aunt on my father's side. She was my father's sister who lived in Chicago they will come down and visit us in the South occasionally or when there was a death in the family! To my cousin's I know the Lost of a mother can be a major void to feel cast your cares the Lord and let him lead & guide you remember God makes no mistake and only he can heal the broken heart I love you all and you're in my prayers sorry I couldn't be there because I just buried my grandfather on Saturday and I previously had to undergo the knife and I'm into surgical shoes on My feet other than that I would have been there to share in your grief and to spread love

I am privileged to have met a warm and loving person. Ms Mary Crayton loved her children deeply and she will be missed. I enjoyed making her one time her favorite dish spaghetti. She was truly a beautiful person inside out. My condolences goes out to you all, and my you all continue to draw comfort from the fond memories of her. Love you all. 🙏💕

“ *Latoya and I were high school besties. I have great memories of Momma Crayton being funny and welcoming. I'm praying for all of the Crayton children, grandchildren and the entire family as this is a great loss. But to be absent from the body means to be present with the Lord.*

Yes Momma Crayton was so funny and so sweet. Whenever I went to pick Toya up; I could not leave without going upstairs to visit with her for a while and she would always feed me before I left. If on the rare occasion I wasn't hungry at the time, she would always wrap something up for me to take home ❤️

My condolences to the Crayton Family. Ms. Crayton loved her family deeply. She helped me and others when we couldn't help ourselves. May God provide her rest and comfort because she was truly a Godsend and remarkable person.
