“ Dearest Mother Richards, my most sincere apologies for not penning this tribute sooner...this has been one of my hardest assignments. Thank You for your unwavering availability, prayers and Words of Wisdom that renewed my spirit and blessed my family. Thank You for your support and encouragement during my pregnancy with Abigail. Just like the faithful Hebrew midwives, Puah and Shiphrah, your guidance and comfort ensured the successful birth of Abi. Thank you mother, I will always be grateful and your memory will be cherished forever.

“ Mother Richard's you are truly missed loved and appreciated. You were at all times gracious and kind whenever I was fortunate enough to spend time with you and I so regret that I didn't get to share more of this time in your presence as I was always fully aware it was a privilege to be near you, to have any kind of access to you was an honor that resonated with me always. We are truly grateful for that access and for You, Mother Richard's 🙌🙌🙌🙌🙌

“ *I thought you would be here forever...I thought we had more than enough time...I thought you were invincible...I just thought that we had more time...just days to sit with you, more days to wake up to your phone call after you just finished praying...more time to shop for you...to run your errands...to laugh...to cry...to fuss at me...to correct me...teach me...but I do not mourn as they that have no hope...your corruption has put on incorruptibility...your mortality has turned into immortality...I shall see you again when our Lord and Savior JESUS CHRIST returns for His people !! I LOVE YOU MOMMA !!*
