“ *I remember when the family first moved on Elizabeth it was tough for him cause he didn't hide his faith back then no one understood what Moses / Leon was Muslim. As we begin to know each other and he taught me how to greet my Muslim brother's with assalamu alaikum and we toasted the town with Schlitz Malt Liquor Beer. He say that was the first and worst hangover he ever had. We would always talk and laugh about that. Miss you my brother.*
