I was one of the 55th Street pedestrians who would stop and exchange waves with Paula or, if I was lucky, chat a bit. I can only imagine your sense of loss and I send you my deep sympathy.

My condolences to Paul and the Johnson Family. I remember when I met paula in the late 80's. She was always so kind and sweet to me. She became my Aunt and then my hair stylist. We had a bond unbreakable. I was so grateful to talk with her in her final hours to express my Love and Gratitude. Rest in Heaven Paula! Love Dalisa

“ *Still in shock to hear that Paula passed. I've known her for many years. I was introduced to her by Julie Smith who passed away several years ago.*

Even though I didn't take very good care of my hair, Paula went above and beyond to help me.

She was SOOO thoughtful, gracious and professional. Many times after finishing my hair, she'd say, "Wait...I'll drive you home!"

My one regret is that we didn't get together for that breakfast after she retired 😞

All her family will be in my prayers.

I Pray the Lord took her gently home.

Dear Family

This is your cousin Minister Gwendolyn Jones Flournoy checking in on you all. I am sorry I was not available to attend Paula's Home going but I did my church/& I send a Resolve. I am not sure that you all knew that Paula was attending Apostolic Faith Church, on 38th Indiana, Bible Studies and Sunday Services. It has been awhile back but that was how I met her on a Wednesday night Bible Study. While part of the AFC Ministerial Alliance we were assigned to greet visitors. She had this infectious Smile that would draw you to her. We were talking and somehow we connected, it was like I am comfortable sharing with this person and she shared with me and over time we discovered we were cousins. She was introduced to so many Saints as my family at Apostolic Faith Church. Again they all were captured by her warm Smile. I am sooo thankful to the Lord that HE allowed us to meet and talk about life and just our Love for the Lord. Her heart was PURE and she was soft spoken and those treasures. I will never forget about her. Bless you All..n Jesus' Name, Amen!! Family

“*Paula was a lovely lady who became my beautician about 20 years ago and quickly became a good friend who advised me on nutrition and exercise and just having fun. I can picture her riding in her convertible on a sunny day with the top down, she always set goals and met them. She loved the Lord, God bless you Paula, RIP*

Paula and I went to grade school together at St. Sabina. While we went our own ways, different times, throughout the years, when we ran into each other, it was as if we had just talked yesterday. She was a genuine soul. I'm grateful to have known her and her family. Rest in power Paula and God be with your family; especially your twin Paul.

I will always appreciate the way Paula was warm and welcoming to everyone who came into the shop even if you weren't her client she made you feel as though you were part of the shop family.
