He was a great friend and a great leader. A True Brother who was loved by many who served with him. I'm going to miss my Masonic Brother and friend. You would've been proud of your God Daughter and God Son

Hello Karen - Poncho or "Rico Suave" as I called him was a very good friend of mine while serving in the Marine Corps. It's very sad just now finding out about this...how did he pass?

“ *I am saddened to know that we have lost another good soul too soon. He was a wonderful human being that beamed a loving light from his giving heart. He was kind, full of love and passion and will be missed by many that were honored to know him. RIP my friend and may you now watch over your family like the angel you always have been.*
