“ I love when we had family gatherings, we would have so much fun. One of your favorite sayings was "I GOT SOME FINE COUSINS" you know you loved your family and we loved you more. I will miss you dear cousin, Rest in peace. Love you forever, one of your fine cousins, Kathy.

“ I went to St. Sabina with Rodney since the 4th grade and had a mad crush on him. He had a walk that I thought was the coolest thing. I use to walk behind him just to see him walk. We laughed and talked a couple of days before his passing about his car. How she was giving him a hard time. We said we were going to visit each other soon. Never expected it would be this way. He was a big guy with a big personality. Rest in peace my friend you will be surely missed. Love you back.
