“ Cookie and I go back to 4th grade. I'm reminded of a few memories- We used to talk on the phone everyday until my mom came home and made us get off the phone but Cookie would never hang up. My mom would later pick up the phone to place a call and she would still be on the line which made my mom mad but she couldn't help but laugh because Cookie would just keep saying "hello" and when mama told her to hang up she would say "ok" but never hung up. This was her loving and silly spirit. She loved life. We loved music and would jump out of the car at stop lights to dance until the light changed. We had so many memories. She will forever live in my heart and I will forever hear her singing when Teena Marie is playing. We were sisters, each other's mother, best friends, party girls, confidantes. We loved each other unconditionally and I thank God for her life, love, and agape friendship. My life is enriched because of her and I will continue to carry her memory I my heart. Peace and blessings to you, Cookie. And I will always love you, Girl.

R.I,P Cookie , I never knew your name was Sarah you would always have a smile on your face when ever I saw you at your cuz. house. Cookie had a wonder sprit. But as we all know GOD knows what is best for us. Love Dora

When Cookie was young, I made her pick one friend to take with me to go bowling or to the amusement park. As a teen my friends rehearsed her into how to get into midnight rambles in Markham. When she met Clarence, I pulled his collar and asked his intentions. He thought I was a gangster. When Clarence died, she stayed with me, on campus. When she married Jackie, I visited as often as I could. When she took care of my mother, I visited every payweek. In the beginning of her illness I drove hours to take her to family functions. I called her weekly until she could no longer talk on the phone. I loved her as I love all my family and would go to the end of earth for them. Rest my sister. You deserve it. Love Doretha Brown.

Ms. Sarah Brown Elkins, aka Cookie was my sister Cristal's best friend from kindergarten or first grade. Can't remember which because they had been friends forever. My heart is heavy because of the loss and I know it was painful for her family to watch the always effervescent Cookie disappear from this life. Her laugh, her smile and loyal friendship with my sister and my family is a wonderful memory. Rest in Peace. Love Sis Sandra.
