“ GLEN LUCIANO!

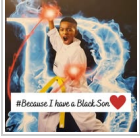

*Product of Southern Italy by way of Dwayne Johnson. I have known this man almost 40 years! And yet, I'm still trying to make sense. He didn't have much himself, but was a selfless, compassionate, giving man. I watched a video the other day. seven and a half minutes long that someone very close to him posted. That video conveyed the very essence of Wayne (when you could make sense of him.) I fought back the urge to cry watching this, because it let me know how CRAZY he was, how connected to current events he was, how extremely intellegent he was.... how truly loved he was. It didn't matter where we were, or whom we met, Wayne knew everyone! Mr. Johnson, (he did NOT liked to be called that) We will always love you..... Know that this is not goodbye, but see you later, Luciano!
On behalf of my wife, Barbara Morisette and Myself, we offer our heart-felt condolences to the Johnson family. Thank you for sharing your son with the world. God Bless You.*
