“ I am so sorry to hear about the passing of your most precious loved one. I pray that the loving support of family and friends will surround you and that you will find inner peace knowing how much others care. Our loving heavenly father knows and understands the pains that we bear. Isaiah 63:9 How good to know that one day all suffering, pain and death will be no more. We will have the chance to see our dead loved ones again! Can you imagine what a wonderful time that will be? John5:28-29

“ *I am so saddened to hear of the passing of this great faith warrior. His love in action was evident by his concern and involvement in so many young lives that passed before him. He was not just staff, but an institution. A working black father, a valued confident, a wise man, an understanding man.*

*Thank you Mr. Johnson for your gentle corrections and forgiving spirit. You understood children and young men. You made us feel safe and secure. I am fortunate to have crossed paths with you, especially not having a father to speak with at times.*

*You were so much for so many.*

*Gilbert Johnson*

“ I remember when I first started at St. Sabina when I was in first grade Mr. Johnson was the first one I meet. Mr. Johnson was a great man and an awesome role model. He made you smile when you didn't want to and if you were doing something wrong and Mr Johnson saw you he got you. I remember when my son Xavier started going to St. Sabina and Mr. Johnson found out he told him that if he saw him doing something wrong that he was going to be the first person to get him cause he knew his mother and his grandmother, and he kept his word cause my son acted up and Mr. Johnson got him and told me later. The Community of St Sabina has lost a Great Man. Mr. Johnson take your place in Paradise. Mr. Johnson you were truly a Man of God whom people truly loved and you will truly be missed. And to the Johnson Family you are in my prayers.

“ Share a memory of Stephen Johnson Jr or send condolences to the family.  
I am an alumni of St. Sabina. I would like to extend my condolences to Mr. Johnson's family. I have nothing but good memories as a student during his time at the school. He used to always encourage me to smile, being as this was not a strong suit on my part.

*Mr Johnson was a true man and did his best trying to steer all the young men at Saint Sabina in the right path. Working for him at the school was priceless, he tell jokes, fuss, argue and teach things. He taught me how to use the floor buffer.*
