“ I remember meeting Tammy in the fall of 1987, our first semester as students at Hampton University. We both lived in Davidson Hall and enjoyed meeting people and learning about our "Home By The Sea". Tammy was always friendly, and very animated. I fondly recall her dancing to House Music and fashionably wearing her hats! I will cherish the last Hampton U. Homecoming that I recall us being together. A group of classmates had a wonderful breakfast in the hotel restaurant. There, we laughed and cried, as we reminisced about our undergraduate adventures. Tammy will truly be missed.

Lovingly submitted,
