I love you forever and ever pony. Never knew this day would come so soon for you. A piece of my childhood is gone now but I will never forget you. We use to stay on the phone for days at a time and never wanted to hang up nothing but smiles and laughs with you. Nobody saw the side of me I let you see. You allowed me to be myself and that's a bond I'll cherish forever. I can't be there in person but I'm sending my love all the way from Georgia to Illinois. I'm praying for your family and anyone else who is hurt behind your passing but I know you gone look over all of us.

I can't wait until I see you on the other side pony it's goodbye for now until we meet again. My lover and friend rest in peace. ❤️

“ Tyrone was my sweetie. He made me laugh every day. I told him Erykah Badu was my favorite artist so he'd sing "Tyrone" for me! I imagine him now as an angel, smiling and having fun. May he rest in peace and comfort and protect his family and friends who are broken hearted by his passing. 🙏❤️
